### WHAT IS CAMBRIDGE OLYMPICS?

Next Monday, we begin the fifth annual *Cambridge Olympics*. So just what is it?

**First**, *Cambridge Olympics* is an academic self-assessment and improvement tool. Each child will receive a folder that has individualized goals and objectives. The objectives are S.M.A.R.T. (*specific, measurable, active, responsible, and timed*). A chart, accompanied by criteria goals, and student work are part of the self-assessment tool kit.

**Second**, *Cambridge Olympics* is a personal competition in all subject areas. Your child will have an opportunity to accomplish weekly goals across disciplines.

**Finally**, *Cambridge Olympics* is a reward and incentive program to help students achieve their maximum potential, challenging them and rewarding them at weekly, monthly, and year-end intervals.
