## Homework Folder

By now, your child may have already come home with a homework folder or binder.

The purpose of the homework folder is to provide you with daily information, such as teacher messages, school announcements, and other communication. In addition, you will find one place where your child's homework is located. Daily discipline and reading accountability is also located in this folder. Your responsibility is to sign and/or initial the sheets in the folder *after* your child has completed his homework. The teacher will check for your signature on a daily basis and record such. Each child also has a daily reading assignment. Please participate by following the guidelines listed.

*Grammar Class IV discussing observations of the nasturtium plant during science.*
